Re: High School Rules of Golf Workshops

The Nebraska Golf Association will conduct its traditional series of free regional Rules of Golf seminars for high school players and coaches this spring. We feel it's a great opportunity for both players and coaches to learn more about the Rules of Golf.

The program lasts about 1 hour and 30 minutes and will offer a variety of rules scenarios for attendees to choose from. This year the material will be presented in an entertaining format which places student-athletes in common rules situations.

The dates and sites for 2018 are as follows:

SPRING

Day	Date	Time	City	Site
Monday	March 12	7 p.m.	Norfolk	Northeast Community College (Welcome Center)
Monday	March 12	7 p.m.	Grand Island	Riverside Golf Club
Tuesday	March 13	7 p.m.	Elkhorn	Elkhorn South High School
Tuesday	March 13	7 p.m.	Scottsbluff	Scotts Bluff Country Club

IMPORTANT: To have an accurate count for materials and seating it's important that teams register in advance. If a site does not have sufficient attendance registered, the seminar will be cancelled and all attendees will be notified at least 24 hours prior. Please call me at the NGA office – (402) 505-4653 ext. 105 or e-mail bvigil@nebgolf.org to sign-up. If leaving a voicemail or sending an e-mail please provide your name, school, phone number, email and expected number of attendees.

We look forward to seeing you at one of the upcoming workshops and our personal thanks to each host site for committing complimentary space for our 2018 seminars. Additional resources for teaching/learning the Rules of Golf can be found on the following page.

Additional Resources on the Rules of Golf

The United States Golf Association has produced numerous resources for learning, as well as teaching, the Rules of Golf. A great resource for coaches is the “Rules of Golf Explained: Interactive Learning Videos” series, which will assist coaches in teaching the Rules to their players. Also, each subject has a “Trainer’s Guide” that shows step by step how to present that particular subject utilizing the video. There are 12 videos that are between 3-5 minutes long, and can be presented in about 20 minutes if using the Trainer’s Guide. Click on the image below to link to the videos, or visit the Rules section at usga.org.
